## Features

- 1 Gates of Eternity**  
49 Court Street  
Maxin10sity | Budapest, Hungary  
8:30 pm - 12:15 am  
Sponsor: VISIONS Federal Credit Union  
Does this century old bank look like a doorway? Maxin10sity transforms the classic structure into a gateway to the past, present and future - not just our own but also parallel universes.
- 2 Divided**  
79 Collier St  
Mindscape Studio  
Bucharest, Romania  
8:30 pm - 12:15 am  
Sponsor: Broome County  
"Individually, we are one drop. Together, we are an ocean." We live in a time of unprecedented conflict. This work's core message: there's more that unites us than divides us.

- 3 Horizon**  
Ticketed Feature - 7:00 pm - 12:15 am  
Visit [lumafestival.com/tickets](http://lumafestival.com/tickets)  
142 State Street  
Playmodes | Barcelona, Spain  
Horizon is a groundbreaking immersive installation that plays with our limits of spatial perception by creating a window onto infinite. Light, sound, space and perspective are all examined on a journey that takes us beyond the limits of physical reality.
- 4 Kiss in Color**  
65 Hawley St  
Los Romeras | Madrid, Spain  
8:30 pm - 12:15 am  
We're greeted by an old factory and the overwhelming cacophony of cold machinery humming, whirring and clanking. The day ends, and an army of identical workers emerge to head home. Suddenly, a colorful energy bursts forth...
- 5 4U**  
78 Exchange St  
Julia Shamsheieva/Anima Lux  
Odessa, Ukraine  
8:30 pm - 12:15 am  
Sponsor: City of Binghamton  
4U is Julia's meditation on how her country has come to symbolize international unity: people of different nationalities, religions, ethnicities and ages who all refused to meet Ukraine's grief with indifference—those who responded with open hearts. Music by Maria Kebu

- 6 Joy Boy**  
95 Court St  
The Fox, The Folks | Bandung, Indonesia  
8:30 pm - 12:15 am  
Sponsor: Tioga Downs  
Joy Boy celebrates the inner child in us all: that unbridled euphoria the night you discovered your favorite video game; the shot of adrenaline from your first theme park ride. It's all there, waiting to be reawakened.
- 7 Mural Mapping**  
84 Court St.  
Emerging & Local Artists  
8:30 pm - 12:15 am  
Every inspired projection mapping begins with a single frame. We challenged budding projection artists to create a solitary moment. This year, LUMA partnered with Discovery Center and WSKG for a youth edition running until 9:30 PM. Presented with Cooperative Gallery 213.
- 8 NEOshamanism: The Arctic Siberian Sound Journey**  
42 Chenango St  
Snow Raven | Sakha  
Friday & Saturday at 10pm  
"We shall explore the traditional songs of the Shamanic communities, a reindeer breath (arctic throat beatbox), try the sounds of northern birds and animals, move around and let go." Snow Raven was three years old when she started to learn the language of birds and animals. A 30 minute show.
